ART COUNTER AND BAR STOOL

ABOUT

Designed by Gabrielle Beswick & Andrew Beveridge, 2024

The Art stool is inspired by the upholstery details of the L'Art de Vivre (The Art of Living) collection. The oversized seat and back perfectly contrast with the stainless steel or powder-coated steel tube frame, creating a playful yet elevated aesthetic. This stool is comfortable and robust, making it ideal for both domestic and commercial spaces. Available in counter and bar heights.
