

AXIS DISPLAY UNITS

OBJECT SPECIFICATION

TITLE	AXIS DISPLAY UNITS	DESIGN BY	LOUISE ROE & MENTZE OTTENSTEIN	COUNTRY OF ORIGIN	PORTUGAL
-------	--------------------	-----------	--------------------------------	-------------------	----------

OBJECT DESCRIPTION

The Moon Lantern marks a new chapter in the LOUISE ROE collection - the very first collaborative design, created in partnership between Louise Roe Andersen and the Copenhagen-based design duo Mentze Ottenstein. More than a fixture, the piece is a sculptural composition: a wall-mounted form where material and light meet in quiet balance.

MATERIALS & COLOURS

ATAIJA AZUL MARBLE
