

CALIBRE SIDE TABLE

BRAND PARTNER: NONN

NZ

Simple and elegant, the Calibre laptop table is a sturdy, functional piece designed to work beautifully as both a side and laptop table. Its single slender leg creates an elegant silhouette, emphasising negative space so it never obstructs or divides a room. Precision in its design ensures strength without visual heaviness, achieving a clean balance of form and function. Versatile and mobile, Calibre brings fresh practicality and timeless style to any space.
