

D / I S T R I C T

Hangover

This side table appears to hover over a sofa and is ideal for food or drinks. The table top is available in a white high pressure laminate or oak veneer, and the base in black or white. Ideal for the office or home. Simon James infuses character into clean, uncomplicated forms, as he explores material tactility in new and exciting ways. His design approach is largely intuitive, with people and their experiences of a space a central focus.
