Luizet – Sofa
Design by Luca Nichetto

As in a game that frees the imagination and possibilities, **Luizet** is a modular sofa system that invites to combine together various elements by a distinctive geometry.

An arched angular piece, a central square and a circular one, available both as a table and as a pouf, are the foundation for a variety of settings. Supported by a discrete and elegant metal frame, the three modules can be juxtaposed and mixed with the addition of cylindrical and rectangular cushions for the backrest.

From a classic three seater sofa to a number of wider and more complex solutions.
