

# Palma Pouf

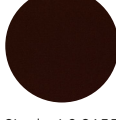

## Fact Sheet

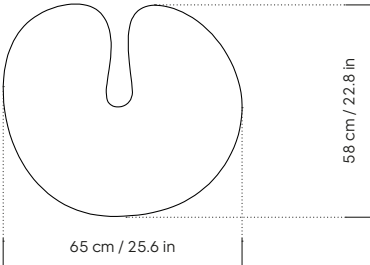

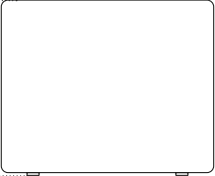

# Palma Pouf Small

Design by Kusheda Mensah

A Palma Pouf upgrades any space. Graphic, arresting, refreshingly carefree, these elegant upholstered seats bring visual interest and facilitate interaction wherever they are used. Casual and unorthodox seating encourages constructive and thoughtful communication, observes designer Kusheda Mensah. Her Palma Poufs series for Hem consists of three decorative shapes made from a solid base and a soft but sturdy upper. Use them as focal points, disrupt a traditional seating arrangement or playfully juxtapose shape and texture with a single pouf. Encourage perching, parking, lounging. Palma Poufs are available in a wide range of finishes for supreme mix or match options.

| Product name                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  | Finish                                                                                                                                               | SKU             | Product name                                                                        | Finish           | SKU                                                                                                    |                 |                                                                                       |                 |

# Palma Pouf Medium

Design by Kusheda Mensah

A Palma Pouf upgrades any space. Graphic, arresting, refreshingly carefree, these elegant upholstered seats bring visual interest and facilitate interaction wherever they are used. Casual and unorthodox seating encourages constructive and thoughtful communication, observes designer Kusheda Mensah. Her Palma Poufs series for Hem consists of three decorative shapes made from a solid base and a soft but sturdy upper. Use them as focal points, disrupt a traditional seating arrangement or playfully juxtapose shape and texture with a single pouf. Encourage perching, parking, lounging. Palma Poufs are available in a wide range of finishes for supreme mix or match options.

| Product name                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    | Finish          | SKU                                                                                                    | Product name      | Finish           | SKU             |

# Palma Pouf Large

Design by Kusheda Mensah

A Palma Pouf upgrades any space. Graphic, arresting, refreshingly carefree, these elegant upholstered seats bring visual interest and facilitate interaction wherever they are used. Casual and unorthodox seating encourages constructive and thoughtful communication, observes designer Kusheda Mensah. Her Palma Poufs series for Hem consists of three decorative shapes made from a solid base and a soft but sturdy upper. Use them as focal points, disrupt a traditional seating arrangement or playfully juxtapose shape and texture with a single pouf. Encourage perching, parking, lounging. Palma Poufs are available in a wide range of finishes for supreme mix or match options.
