Playtime – Rug
Design by Emma Boomkamp

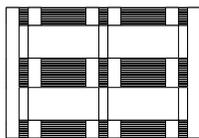

Emma Boomkamp's **Playtime** rug collection is inspired by the childhood. A nod to the playground, the first place where we experience interplay with others between sharing and competition. Hopscotch, game board or labyrinth, the patterns are entangled and overlaid on each other with mischief or seriousness. The rug designs are available in tufted, printed and handwoven fabric. The handwoven rugs are made in Teotitlán de Valle, Oaxaca, Mexico and the wool that is used is local Mexican wool. Since it is hand-dyed there can be small color differences between every batch.
