

STONE COLUMN LOUNGE TABLE

OBJECT SPECIFICATION

TITLE STONE COLUMN LOUNGE TABLE DESIGN BY LOUISE ROE COUNTRY OF ORIGIN PORTUGAL

OBJECT DESCRIPTION

The new Column Stone Lounge Table introduces a striking materiality to LOUISE ROE's sculptural vocabulary. With its low, expansive form and strong geometric silhouette, the table reflects the brutalist influences that define the house's design ethos - now translated into solid stone. Crafted in Estremoz marble, a crisp, white Portuguese stone, or Ataíja Azul, a warm grey limestone, each table is entirely unique. The natural variation in the stone's veining and tone means that no two pieces will ever be exactly alike.
